Dr. Kevin Dutton  
describes the art of  
what he calls "split-

second persuasion";  
those moments when  
we make a decision  
almost without thinking  
either to have our way  
or to give someone  
theirs. Dr. Dutton  
explains how to win  
that argument, close a  
deal, nail the job  
interview, get a first  
date, and even stick to  
that New Year's  
resolution.
