One Hundred Years of Solitude does not adopt a straightforward approach to telling its version of history. The progression of time from the town's founding to its demise, from the origins of the Buendía clan to their destruction, provides a rough structure for the novel. But García Márquez does not necessarily tell events in the order that they happen. Rather, flitting forward and ...

In our pursuit to feed our narcissistic pleasure, grasping for attention in the midst of our ever-shortening reading span, we witness words and language blaze into ashes in the confinement of 280 Twitter characters. Now that everyone can write, "authority is dead in social media", says Nirwan Dewanto, an Indonesian poet and essayist. In today's boisterous online world, some of us turn ...

All too often we neglect the pursuit of our passions for various reasons. Sometimes, we cannot combine our passions with the plans of partners or friends. Solitude, however, gives you the wonderful opportunity to do the things you're passionate about. Spending some time alone allows you—maybe for the first time in your life—to follow your passions without the need of other people's ...

Groupthink is a psychological phenomenon that occurs within a group of people in which the desire for harmony or conformity in the group results in an irrational or dysfunctional decision-making outcome. Cohesiveness, or the desire for cohesiveness, in a group may produce a tendency among its members to agree at all costs. This causes the group to minimize conflict and reach a consensus ...
