The answer, by the way, ... (20 churches fighting over members in a town with only 3,000 people in it). They've decided that 'our leaders are not the right kind....so lets push them out of the way'. What they fail to realize, is the 200 member church across the street has 'the leaders' he 'thinks' he wants....and the leaders he wants to 'get rid of' had a very valuable and ...

The answer lies in a landmark Stanford University study. Children were left in a room, each with a marshmallow, and given the choice of eating it then or fifteen minutes later, when they were promised an extra marshmallow as a reward for waiting. Some ate theirs right away. Others waited. But the study's real significance came a decade later when the researchers discovered that the children ...
